MEMORANDUM FOR THE DEPUTY DIRECTOR OF
CENTRAL INTELLIGENCE

SUBJECT: Recommendation No. 13 of Joint Study Group Report
on Foreign Intelligence Activities (S)

Reference is made to your memorandum, same subject,
of 25 March 1961.

This office has requested the Military Departments to study means by which the recommendation could be most advantageously implemented from the Defense standpoint. In particular, estimates have been sought as to the number of personnel on a yearly basis likely to be available for training and the criteria which the training would be called upon to meet. Responses are expected in this office by 22 April 1961.

Members of my staff are available at any time to work closely with Mr. Baird and facilitate his efforts to achieve such arrangements as will insure an effective inter-departmental training effort as envisioned by the Joint Study Group.
